Both are doing the *New York Times* crossword. She’s an organized sensible psychologist; he’s a free-spirited unemployed ad exec. An 80 minute train ride ensues filled with hilarious, witty, romantic banter. As the train ride ends, it’s obvious each of them has been changed for the better.”

Many Village attendees have dinner starting at 6:00pm at La Granja de Oro, located at 2920 Annandale Road.
