Providence Players Presents

WHERE: James Lee Community Center Theater; 2855 Annandale Road
Join your fellow Villagers for the production of “Silent Sky” by Lauren Gunderson. This is an inspiring and true life story of Henrietta Leavitt, an astronomer ahead of her time. It is 1900 and Henrietta has the opportunity to work at Harvard to help map the stars but receives no scientific credit. She will not be dissuaded and continues on to a discovery that has a profound and lasting impact on the field of astronomy. A poignant tale of a woman’s dedication and the human touch that makes life beautiful and timeless.

Prior to the performance, join Villagers beginning at 6:00pm at La Granja de Oro restaurant located at 2920 Annandale Road.
